Membership: The directory is at the printer's. Updates to membership are due to go into effect in June.

Singles League: Sign ups are coming in. Shari will make it so that those signing up will not be able to register in duplicate levels.

Proposal for two new courts at Heather Farms. Gabe reported that according to Jim the cost will be \$130,000 to \$150,000. With a commitment of funds (possibly \$30,000) from WCRC the city is more likely to approve the project. USTA may make a commitment as well. Shari will finish writing the proposal.

Discussion on the WCRC Foundation will be tabled until the next meeting. Gabe suggested that there be a name change.

Jennifer and Nat will put together a Saturday night event sometime in the summer

Pege and Shari will help put together FAQ's about the website for the newsletter.

The meeting was adjourned to handicap Calcutta entrants.

The next meeting will be July 6<sup>th</sup> at the Greenery (across from HF) at 6:30 p.m.
