THE PRESIDENT'S REPORT

Happy December!

Garvin Tom
2023 WCRC President

Ah, yes! It's that time of the year that we've been waiting for once again. We either look forward to it or stress out over it. You know it's that time when we've finally recovered from our Thanksgiving meals, start putting up lights and decorations, and continuously looking for great deals. We head out to the stores for gifts and check online to...you guessed it my friends... look up our end of the year USTA ratings!

I know many of us have been there. We look up our ratings first. And then we look up our friends' and teammates' ratings. And then we start group texting our friends to see who got bumped up and who didn't and who got bumped down. And then we're discussing that we can't believe that that person got bumped up or didn't get bumped up or got bumped down. In any case, I hope you received the rating you deserve...er... wanted. LOL!

Staying with USTA, we're right smack in the middle of Combo playoffs, so come out and support our teams if you can make it out (and stay warm). Next year will also be the start of the 40+ Adult and 18+ Mixed seasons, and you'll be able to register for those teams this month.

Good luck to Tammie Snyder's 55+ 8.0 Mixed, Steve Lehmer's 55+ 7.0 Mixed, and Alan Roth's 70+ 6.0 Men's teams, who all will be playing in Sectionals this month.

On the WCRC front, we have both the Fall Mixed and WING Singles leagues going on in case you don't get enough tennis from USTA (or if you're avoiding USTA altogether).

And finally, the courts at Heather Farm have all been resurfaced, and now all courts have been reopened. They look beautiful. Come check them out if you haven't done so already.

See you on the courts!

Garvin Tom

Questions about Membership? What is dropped status?

by Pam Maloney

WCRC's membership is \$35 for new members and \$25 to renew every year thereafter. Membership works on a rolling twelve months so if you join in December, your renewal comes up the following December.

Our database keeps track of membership and sends a renewal reminder 30 days prior to renewal and then one additional reminder. For example, if you joined in December, your renewal would be sent in November. The system gives you 90 days from your renewal dated to pay the \$25, December in this example. If you don't renew within the 90 day period, again December +90 days = March, then the system drops your record and your membership lapses.

Being in "dropped status" means that if you want to maintain your membership, you will have to start again as a new member. This can be confusing because our system won't allow you to create a new membership using the same email as the one attached to the dropped status record. If you find yourself in this situation, you can contact our membership person, Pam Maloney, who can fix it so you can use the email you want.

We feel strongly that giving members 90 days is plenty of time to renew and so have a policy of not making any exceptions for members who have to start over.

If you find yourself at the clubhouse and need to renew there is a new QR code for you to scan and sign up right then and there!

Lastly, don't forget that we have household membership for tennis-playing families who have the same street address for no additional charge.

Member Spotlight

A Storybook Life: Nat Bitton

Interview and article by Ian McLaughlin

As an effort to get to know our membership the Board has decided to have a monthly column "Member Spotlight". We will be interviewing WCRC members and getting to know them. This article will help us find out how they got introduced to tennis, their background, any favorite memories, etc. We hope you enjoy this commentary.

If you want to hear some fascinating tales about the origins of our famously social and inclusive tennis community at Heather Farm, all delivered in a delightful English lilt, you must seek out a conversation with WCRC member Nathan "Nat" Bitton. Nat was initially drawn to Heather Farm by an Oktoberfest event in 1983, and he says "there are no words" to describe how much fun it was to go to the Heather Farm tennis courts back in the day when it was a less structured tennis facility where he could drop in at almost any time, join a pickup tennis match, or just hang out and enjoy the warm camaraderie of the other players without any particular schedule or agenda, many of the same reasons WCRC members still love to come to Heather Farm.

Nat served as president of the club for a period in the 1980's, and with member Al Johns he started Friday night team tennis at Heather Farm, an event that he describes wistfully as filled with fun, food, friends, tennis, and incredible sunsets. Those events would often go until 11 p.m., underscoring the lively atmosphere at the courts at the time, and clearly foreshadowing the social culture that remains one of the hallmarks of Heather Farm. Nat and his friends also regularly played the precursor tournaments to what would later become USTA league

tennis but at the time was sponsored by Michelob beer. And when Nat says it was a blast to hang out at the courts in those early days you can take his word for it because Nat knows a thing or two about recreation, having spent a substantial amount of his adult life working at Club Med locations around the globe. In fact, he met his wife Bernadette in Moorea when she was on holiday at Club Med there while he was working.

Although Nat met numerous people through his work with Club Med, it's through the tennis community at Heather Farm that he made many lifelong friends that he still holds

close. Starting in the 1980's, Nat, Bernadette, and their circle of friends would take an annual weekend trip to Boulder Creek Country Club, a tradition that continues to this day, even though injuries forced Nat to stop playing about a decade ago. He has now switched to golf, which is friendlier on the knees.

Nat grew up in London and played rugby at the Harrod's Rugby Club, which also featured tennis courts. Through his contacts at the Harrod's Club Nat started taking holidays at Club Med resorts around the world before eventually taking a position with the organization. Talk about an endless summer, Nat actually lived it.

Bernadette is from the Bay Area so they settled back in the East Bay, where they raised their daughters Melissa and Alexandra. Both women still live in Northern California and the family remains close, including two granddaughters born to Melissa. Bernadette's family originally hails from Poland and they lost several family members at the Nazi death camps during World War II, and her family has always cherished their precious time together. Nat likes to say that he came from a close family and married into one as well. He still tries to return to the United Kingdom each year to see family and friends there, but otherwise he and Bernadette like to explore the unique treasures in our own backyard and spend time with their daughters and granddaughters.

Nat feels blessed to have lived the life he has and continues to create, and he relishes the lifelong friendships he made at Heather Farm. How many people can say that they have kept a tradition with friends going for almost five decades?, Nat can, and he claims that "Heather Farm made it all possible."

While Nat has truly lived a storybook life full of adventure and meaningful friendships, his priorities have always been the most fundamental things in life. As he puts it, " the Club Med lifestyle in the 70's and 80's was a dream, but it doesn't compare to being close to the people you love." Seek out a conversation with WCRC member Nat Britton and you'll receive all sorts of wisdom like that, and leave the conversation richer for it. ❖

55+ 7.0 and 8.0 Teams Heading to Sectionals

Steve Lehmer and Tammie Snyder captains of 55+ 7.0 and 8.0 teams got through the season with a lot of cross over players playing on both teams. The 55+ 7.0 team finished the season in first place with a 9-1 record. While the 55+ 8.0 team finished the season also in first place with a 7-3 record. Both teams have an unheard of wildcard into Sectionals after their first rounds of playoffs. The 7.0 team swept Glenn McBee's team as well as Pinole in the second round. The 8.0's had a excellent match also against another Walnut Creek Team. Lisa Italia and her squad put up a good fight but came up just short.

Sectionals for both teams will be held December 8-10 at Diamond Hills in Oakley. Go Creek!!!

Summer Singles Tournament

Thank you to everyone who participated in the Summer Singles league this year! More than 160 people joined the league this year, playing matches over several months in seven different divisions.

On the weekend of Nov 4th/5th, the players who made it into the semi-finals all met at Heather Farm for our hosted tournament, this time being played on the newly surfaced courts. We were fortunate that rain held off just enough to get in the two days of tennis. Several great matches took place, as the top players at each level competed for the titles. Winners, finalists, and several pictures of the action are contained later in this issue.

Thanks to Bob Walgren who ran the tournament desk and kept everything on time.

For all of you singles fans, the WING singles season is now active. Summer Singles will start up again in May, 2024. Thank you all for making this a great year.

The WCRC website platform will be moving to a new provider in December. We expect that there will be disruption of service to our membership.

We want to thank **Patrick Forden** for his support and upgrades made to our website for the last 5+ years. Don't worry, Patrick will remain with our club, this transition will allow Patrick to stay focused on his many teams that he captains. Thank you Patrick!

If you experience any issues with the website regarding a WCRC league or tournament, just contact the director of that league or tournament. Membership will not be affected by this transition.
