# THE PRESIDENT'S REPORT

## Happy September!

**Garvin Tom**  
2023 WCRC President

Hi everyone. Summer is winding down, and the kids are back to school, which means it's US Open time. The USTA will be sponsoring a US Open watch party at nearby Calicraft Brewery in Walnut Creek on Sunday, 9/10, from 12 PM to 5 PM for the men's final. I know it may be tough for some of you since it's also the first week of the NFL season, but I hope you can come out. It should be fun.

Sticking with USTA news, I would like to congratulate Kelly Sanchez's 18+ 3.5 women's team for winning Sectionals. They played some very tough teams, including a couple teams whose main goal was to win Sectionals. Congratulations, ladies, and good luck in Nationals. This also marks the second year in a row in which a 18+ 3.5 women's team from Walnut Creek has won Sectionals, which is a very impressive feat.

In other USTA League action, 40+ mixed playoffs are starting this weekend, so good luck to everyone in playoffs. We also have the combo and 55+ mixed seasons underway, so good luck to everyone this season as well.

Our WCRC Summer Singles League is still going on and have about a month left to go, so get your matches in while you still can. We also have our Fall Mixed League that just started last month, so if you would like to sign up, please visit our website at [wcrc.net](http://wcrc.net).

And finally, courts 1-3 at Heather Farm have been resurfaced and are now back open, and they look beautiful. If you haven't seen them yet, come check them out. This also means that courts 4-7 are now closed for resurfacing, so I'll be looking forward to when those open up again.

See you on the courts!

*Garvin Tom*

## September 23, 2023 Potluck - YOLO7 Celebration

3:30 p.m. at Heather Farm Tennis Center

Join us on Saturday, September 23, at Heather Farm Tennis Center (1751 Heather Dr., Walnut Creek) for a celebration of life and living in honor of Ian's 7th rebirthday on the anniversary of his strokes in September 2016.

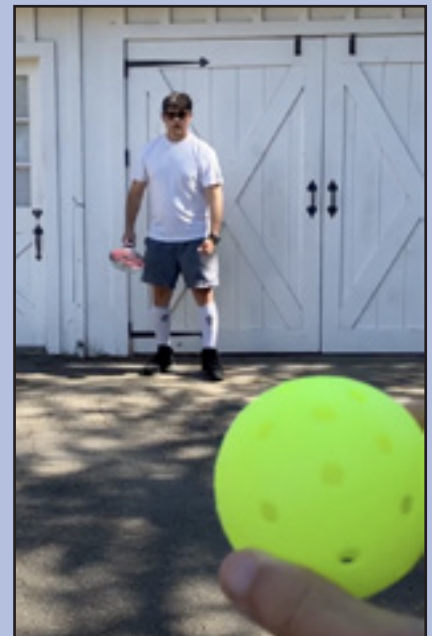

There will be tennis and pickleball courts available for those who want to hit, and Ian is planning to get out on the pickleball court himself after a forced seven-year hiatus from all sports following his strokes.

This is an informal gathering and a potluck so please bring a snack or beverage to share. We'll have dishes, utensils, and coolers with ice.

Drop in anytime between 3:30-whenever, no RSVP required, but you only live once (YOLO!) so please come help us celebrate our good fortune to be here together at this point in time.

We hope to see you there. YOLO!

## Tennis is a Family Affair:

### Steve Lehmer

Interview and article by Ian McLaughlin

*As an effort to get to know our membership the Board has decided to have a monthly column "Member Spotlight". We will be interviewing WCRC members and getting to know them. This article will help us find out how they got introduced to tennis, their background, any favorite memories, etc. We hope you enjoy this commentary.*

For WCRC member Steve Lehmer, tennis is truly a family affair. Steve started playing the game about five years ago when his son Ryan asked if he wanted to hit; both had played some tennis in the past and were looking for a new sport and one they could play together. Ryan still plays often and Steve is currently at the self-described "all you can eat" stage of his tennis career, playing 4~5 days a week in all formats and known to some of his friends as "the beast" for the amount of time he's on the court. Steve's wife Melissa Bach, whom Steve has known since middle school in Chico (they didn't really like each other much at first... it took a few years to grow on each other), also started playing again recently after not hitting much since her high school tennis team days. One of the best tennis experiences so far was that Steve and Melissa got to share the travel and experience of both playing in the 55+ NTRP nationals earlier this year in Surprise, AZ. About the only family member who doesn't play is Steve's daughter Madison, and she has a good excuse as she is somewhat busy in grad school at Cal studying microcellular molecular cellular biology. (go Bears!)

After living in Concord and Martinez through elementary school, Steve and his family moved to Chico for the rest of his childhood until he attended Cal for both undergrad and grad school, earning his MBA in finance at Cal. (go Bears!). With that background Steve worked in the finance industry for many years before moving into the technology space in infrastructure and software development, before retiring in 2021.

Steve and his family (except Madison the aspiring microcellular molecular cellular biologist) live close to Heather Farm behind John Muir hospital in an area where he has lived for about the last thirty years. Besides playing a prodigious amount of tennis, Steve and Melissa like to enjoy the activities and

beauty we're so fortunate to have right here in the Bay Area (V. Sattui, Cakebread...did someone mention Pinot? Madison may not play tennis, but she definitely joins these ventures!), but they also like to pack up and head off on farther trips, especially to beach destinations (Kauai, Newport Beach, and San Diego top the list)..

Like so many other WCRC members, Steve loves the inclusive atmosphere at the club, which he feels combines the best attributes of a public facility in terms of accessibility while maintaining the maintenance and management standards

befitting a private club. He noted a feeling familiar to so many players at Heather Farm, that you can show up on any afternoon or evening and connect with others, watch their matches, and cheer on the other local teams with a "go Creek!" As succinctly summed up by WCRC member Steve Lehmer, "that's what it's all about, and what the facility supports." True dat, Steve. ❖

## 55+ 8.0 Men's Team - Sectionals Recap

*By Lloyd Hohenstein*

Lloyd Hohenstein, Bret Jones and Tim Baldocchi's 55 8.0 men's team won 9 of 10 matches in the regular season. The team got to sectionals and won the first four round robin matches beating favorite Sunnyvale 2-1. Unfortunately the team lost in the finals but had lots of fun and a very strong season.

## The Walnut Creek Wise Aces Triumph at Sectionals!

*By Kelly Sanchez*

In a gripping display of skill, strategy and sportsmanship our Walnut Creek Wise Ace 3.5 women's tennis team clinched victory at NorCal Sectionals earning us a coveted spot at Nationals, in Surprise Arizona, at the end of September. This is a true testament to our team's dedication on the court but also to our friendships and support for one another off the court. This team truly embodies the highly competitive, highly supportive player model.

Leading the charge and steering the team to victory were captains, Kelly Sanchez and Shashanna Singh. Under their leadership and astute lineup making, the Wise Aces went undefeated during the weekend despite some extremely close matches against exceptionally talented teams.

The heart and soul of the team are our talented players who each bring their unique individual strengths and styles to the court. Team members include: *Kris Anthony, Stephanie Chamberlin, Michelle Cooke, Lara Facteau, Tammy Fox, Jill Freeman, Heather Houston, Tracey Hull, Robin Hultgren, Rosanne Kim, Mimi King, Jill Krimmel, Kelley Krock, Shannon Lynch, Erin Moran, Kelly Sanchez, Shashanna Singh, Adira Wiexlmann, and Roz Zahiri.* Every single player contributed to our winning season in their own distinct way, although it all seemed to boil down to a 10pt tiebreak played by Heather Houston. The anticipation was palpable. With the trip to Nationals at our fingertips, and the final match tied 2-2, Heather battled back from a first set deficit, in blistering 100 degree heat, to

win the tiebreak 10-7, as our team chanted, "MVP!, MVP!, MVP!" Lucky for us she was a tactical genius who was able to outthink and outlast her worthy opponent. All weekend, every point won, every game clinched, every set taken was a reflection of our collective effort, our grit and our passion for tennis.

As we set our sights on Surprise, and the upcoming Nationals tournament we are thankful for each other and the strong tennis community around us. We are proud to represent USTA NorCal and Walnut Creek Racquet Club at Nationals.

## 4.0 DAYTIME 18+ USTA SECTIONALS CHAMPIONS!!!

*By Stacey Blackman*

Our 4.0 18+ Daytime USTA Team had an incredible season finishing 10-0, grabbing the #1 playoff spot in a combined DN, DS & EB Division of 10 teams! Even though this was daytime USTA and there was no path to Nationals - that did not stop this group from giving it 100% each and every match. Everyone stepped up to play with new partners, fill in last minute and was super flexible to accommodate a few rained out matches.

We had a few weeks before our 1st round of playoffs and since we were the largest division for daytime in NorCal, our division also had a Wildcard! We knew what we had to do...and with such a talented group of tennis players we could have gone in so many directions. The most challenging part of our playoffs was getting a court with all the renovations at Heather Farms - the tennis was the easy part! All we had to do was win the 1st round of playoffs and we were IN for SECTIONALS! Our team came in confident and we brought a killer line up for our 1st round of the playoffs! Chandra/Angie & Cassie/Christine took out our opponents from Osage Park (lots of familiar faces for this crew) in straight sets! Our singles player Lena won by default (though we know she would have killed it!). It was early July and we were locked and loaded for Sectionals set to take place in mid August! We mutually decided with the 2nd place Pleasanton team to skip round #2 of playoffs since we were both MOVING ON!!

Now is when it started to get FUN! We had a strong team of 14 players that qualified for Sectionals. Unfortunately 18+ N/W 4.0 Sectionals was scheduled the same exact weekend in Sacramento and the day USTA Sectionals was set for Fremont (Could that have been any further away????). We knew 6 of our 14 players on N/W teams (Claremont R&S and Tammie's WC team) had a solid shot of making it to the Semi-Finals/Finals on Sunday! But that didn't stop us.. We continued to work hard and pulled together the best line ups from our remaining players. Our players were beyond flexible... not only did Cassie/Lena play in Sacramento - they also came out to play with us as well in Fremont (And YES - you are reading that right - that is over 100 MILES!!!).. but it doesn't stop there...Ana not only came out to play with us from Sacramento 1x, but she did the drive 2x back and forth from Sacramento (Ana should be in the dictionary as the true definition of a TEAM PLAYER!)

Our Sectionals journey started out slow...we LOST our 1st match vs. Tiburon on Saturday 1-2. Captains Megan/

Stacey told our team to remain strong and not to lose hope...we were 10-0 this season...and this should not phase us! We refocused and jumped into the Saturday afternoon match READY TO GO! Our line ups were changing by the minute (and yes, we also had to deal with COVID AGAIN that wiped out a key teammate). We put on our game faces and took care of business vs Cuesta - Christine/Stacey (In their debut match) were the first off the court with a straight set win and a Cuesta retirement mid 2nd set! Then our rockstar singles player Ana was on for her 2nd singles match of the day and it wasn't easy.. but Ana was calm and focused and

took out her opponent 7-6, 7-6! Now it was down to D1 Esther/ Megan (D1 lost the 1st set, and were down in the 2nd 1-5) We needed a sweep to stay in the race for 1st!!! IT WAS A THRILLER - our girls came back from 1-5, pulled out a 2nd set TB WIN and after that COMEBACK FOR THE AGES.. we knew our girls were in control and they pulled out another WIN in the 10 point TB!!! WE SWEPT CUESTA!!

One more match to go...we were #2 of 4 in our bracket. We NEEDED A WIN Sunday vs. Bay Club Courtside! BUT it couldn't be that easy...we also needed Cuesta to beat the undefeated Tiburon team. Simple Plan, Right??? Lucky for us, we were able to grab 2 more teammates from Tammie's N/W 4.0 WC team that unfortunately did not make the Semi-Finals on Sunday. Cassie/Lena caffeinated up and were ready for an early 8am match in Fremont on Sunday (Now that is dedication!!!). We were pumped and hopeful heading into our last match...and Cuesta needed their strongest line up for a win (they also still had a shot to take 1st as well)... All the stars lined up again (but it wasn't without lots of nail biting).. Stacey/Cassie were 1st off the court (and couldn't pull out the W).. YIKES! We were all anxious

on the sidelines as D1 and Singles were wrapping up their matches! Huijuan (and her fresh legs) easily took out her singles opponent. It was down to D1 Lena/Christine (Our "Sectionals Queen")...They had never stepped on the court together but we had faith in our SUPER STARS! D1 lost the 1st set and was down 2-5 in the 2nd set! It was not looking great. Our team was on the sidelines cheering on every point...and before we knew it our girls had another COMEBACK FOR THE AGES! Lena/Christine tied it up and forced a 2nd set TB...at this point we all knew - WE GOT THIS and WE SURE DID! D1 pulled out a 2nd set WIN, and then a 10 point TB WIN! OK, so we did our part and good ol' Cuesta did their part by beating Tiburon! and yes, we personally thanked each and every Cuesta player!!! FINALS HERE WE COME!!!

NOW (of course) some more excitement. We had exactly 2 hours to check into the USTA desk for the Finals vs. an undefeated Sharon Heights team from the other bracket. Megan/Stacey contemplated on our line up...and guess who came through again!!! MS. ANA LARNER!!! Ana was in Sacramento (it was 10:30am, we were on the phone with Ana as her Claremont R&S team was just edged out in a deciding TB to Rinconada Park on their path to the 4.0 N/W Finals...We had been cheering on our teammates Chandra/Angie/Ana from afar and hoping they would pull out a trip to Nationals...but when we heard the news that it wasn't their day, Ana ran to her car drove 100 miles and sprinted to the tennis desk at Fremont Tennis at 12:27pm for a 12:30 CHECK IN! YES, you read that right....NO STOPS, NO BATHROOM BREAKS, NO LUNCH...anyone else would have been a nervous wreck, but Ana was all smiles and READY TO GO!!! but not before she threw down a bowl of Mac & Cheese right before her finals singles match (and that was her 4th singles match in 3 days!). We knew at this point with ALL THE STARS LINING UP.. that this was going to BE OUR DAY!!

So who was put into our MAGICAL FINALS LINE UP??? Of course our TWO COMEBACK TEAMS FOR THE AGES - Megan/Esther & Lena/Christine & OUR SUPER STAR SINGLES PLAYER Ana! We had a full cheering squad ready to go as our girls took on the undefeated Sharon Heights team...

D2 - Lena/Christine, took care of Sharon Heights in straight sets as if they had been playing together for years (luckily their opponents did not know this was the 2nd time they ever stepped on a court together after their morning match). D1 - UP a Set, Singles UP a set.. WE WERE ALL FEELING REALLY GOOD! But it couldn't be that easy, right??? D1 & Singles - SPLIT SETS...It was back to some more NAIL BITING (Our whole cheering squad needed manicures at this point!). We just needed one of these two lines to pull it out! D1 - DID IT and with a BIG EXCLAMATION POINT finishing their 10 point TB 10-2! Ana and her opponent were still going! I think Ana heard the screaming so probably knew we DID IT! Both teams cheered on the singles match and it was a close one, we almost swept but were just edged out 8-10 in a 10 point TB! and Ana was still our HERO!

**WE WERE SECTIONALS CHAMPS!! Love this Squad and Grateful for this INCREDIBLE TEAM!**
