WCRC Board Meeting Minutes

The August 8, 2005 meeting minutes were reviewed and approved.

Treasurer Report

August 2005 Report – Net income positive and there is nothing unusual to report.

Membership

Rolling membership

To be implemented October 1, 2005. As of January 1, 2006, single event fee will no longer be applicable. After January 1, 2006 all tennis players must be WCRC members to participate in any event or league.

Current membership: 796 members, 600 on the mailing list (may include multiple members at one location).

Court Reporter Newsletter

No updates, Tammie is working very hard to solicit write ups to include in the newsletter. There was discussion regarding optional email of newsletter for those members indicating this was preferable to hard copy mailing. Continue discussion to future meeting when additional Board Members present.

Website Update

A couple of linkages may not function properly e.g. in the league section. Tammie S. will test all links and report to Shari.

Club Championship

Singles and Mixed Doubles completed weekend of September 10-11. Doubles play scheduled for September 17-18. Don has volunteered to cook again for the September 17-18 weekend. Thanks to Nate for help on the September 10-11 weekend also. There was discussion about low member participation in this event, which is likely impacted by members already committed to other league play. To consider other times to hold this event in the future.

Singles League Championship is scheduled for the weekend of September 24-25 and October 1- 2.

Tournament Activity

Turkey Tournament: Planned for November 19. Tammie S. did check on court availability with Bob and will follow up with Jim. Bob Walgren has agreed to run it. Additional follow up to include providing assistance with organizing prizes which are likely to be Safeway gift certificates for turkey purchases. Board members need to promote this activity. To consider putting up a banner in the clubhouse to make sure people are aware of the opportunity to enter.
