## THE PRESIDENT'S REPORT

### January 2019

**Glenn McBee**  
2018 WCRC President

Happy new year all! And of course, we are having wonderful weather when you get a chance to get onto the courts.

Winter Doubles is now underway and runs until 5/10. Find a partner and sign up at <http://www.wcrc.net/Leagues/Login.aspx>.

There is still time to play in the Fall Mixed season, as the season ends on 2/9/19 with **NEW tournament dates 2/15-17**. We are revising the number of matches needed to qualify for tourney, see details in Nicole's column. If you want to play in the league, contact Nicole Leong.

Do YOU think we need more courts and court access? City officials need to hear from you, "OUR voice counts", my voice is not enough. Plan on attending a Parks Recreation and Open Space (PROS) meeting in 2019, it will only take 30-45 minutes of your time. Meeting are held 1<sup>st</sup> Monday of even numbered months, next meeting is Monday 2/4 6:00pm at WC City Hall.

The new storage shed at Rudgear has been installed! Scorecards are there for the Captains to access. We will be working with Lifetime to get equipment to be used on the courts, should be stocked before the next season starts.

Good luck to all of the Captains & teams heading to the playoffs! GO CREEK!

Be well and we will see you on the courts!

Glenn

# Tennis News

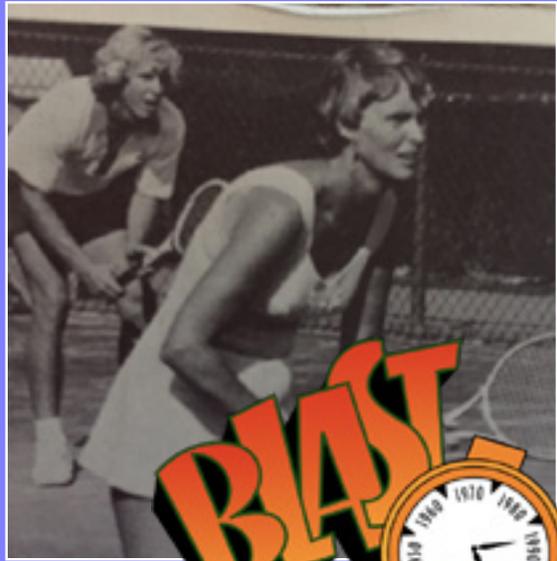

## We have a storage shed at Rudgear!

After many months of working through the challenges of getting a shed at Rudgear, it's done.

Captains still need to check in with Lifetime to check payment status of players. We will keep the scorecards there. We will also have court maintenance tools there for Captains and players to get the courts playable. Plus some chairs for the middle courts.

Many thanks to all that helped us finish this task and Lifetime for helping get us the needed equipment.

## The WCRC was in the house!

Many WCRC members attended the December Parks Recreation and Open Space (PROS) meeting. We were there to support tennis in Walnut Creek and speak to the council members and let them know that we need more tennis courts and court access. We had the council's attention and we had their heads nodding in agreement with our needs.

First order of business is access to Northgate courts. All agreed that NG courts need to be available to the public. The city of Walnut Creek is in active negotiations with the Mt. Diablo Unified School District (MDUSD). Many thanks to those who attended!

From there Deanna and I attended the MDUSD meeting and again shared our hope that the NG courts will be made available to the public. Working with these groups requires repeatedly sharing our need, as these groups have much on their plates. Uniting our voice and consistently airing our concerns and needs will eventually get us what we need.

Hope to see more at the February 4th meeting at Walnut Creek City Hall, 6 pm.

Thanks again for the wonderful support!
