### Fun Tennis facts

Traditionally, women wore full length dresses while playing for the Wimbledon tournament.

24 tons of strawberries are ordered each year for the championship at Wimbledon. Wimbledon is also the only major tennis tournament that is still played on grass.

Boris Becker was the first unseeded player ever to win the Wimbledon in 1985. He was only 17 years old at the time. He also became the first German and the youngest player to win the title.

Rectangular courts were created in 1875 for Wimbledon. Originally, the court was an hour-glass shape. (WTHheck...?) Tennis experience survey recap is still to come... Will table this until next month (just for you T. lol)

Thanks to Claudia Polidori and Patrick Forden for joining me at last month's PROS meeting and speaking to the council. We will continue to attend and share how great and important tennis is to our members and the city of Walnut Creek.

Be well and we will see you on the courts!

Glenn

## Wimbledon Wannabes come up just short.

by Heather Canepa

Our team, the Wimbledon Wannabes, or Double Dubs, finished the season in second place with an 8-2 record. Unfortunately for us, the team we were playing in playoffs was Betsy Kemp's NetChix team, which was one of the two that beat us in the regular season!

We put up our best lineup and had a close match, but Betsy's team outplayed us. They will represent Walnut Creek well and we wish them all the best as they move on!

*The picture is a team selfie after our last regular season match. We were really happy because we beat Round Hill! ## 40+ 3.5 Women's team head to second round of playoffs by Maureen Satcher

It was a competitive season for this fabulous 3.5 women's team. We finished number one in our flight with an unbelievable record of 9-1. Individual matches won was 43 compared to second place of 30. Individual matches lost, Seven for the whole season. That's just an awesome record for the season.

We won our first playoff match, on to the second playoff match. Whether we win or lose, this is the best team for their spirit, kindness, loyalty and humor!! I'm honored to be their captain.

## Great Run for 40+ Netchix!

*by Shannon Roecklein*

What a grueling and incredibly rewarding season of tennis! I know we all couldn't be prouder of this team – a group of seriously excellent players continually striving to work together and support one another! It hasn't been all rainbows and unicorns – these ladies have worked hard and dug deep through challenge after challenge.

After three wild days with crazy winds, incredible comebacks, and a fighting spirit, the Netchix won all three days at Districts and jumped right on board to head back to Sacramento for Sectionals a few weeks later. Sectionals proved to be an exciting challenge and it was impressive to see such a high caliber of play. These ladies went to third set tie-breaks on most lines every day, but overall the trip ended there. We left having learned a lot about the game and each other, and we're happy to continue that journey together in 18+ season as we head once again to Districts. Let the wild ride continue!

## Sectionals, the Final, Almost Nationals

by J. Patrick Forden, Captain, 40AM 3.0B

Moments of glory, the thrill of victory, the agony of defeat - we get it all in the exciting drama of USTA competition.

It was a hot weekend at Gold River Racquet Club with some great tennis for Sectional Championships. We battled well on Friday and Saturday to win our 5 team flight and make it into the FINAL on Sunday.

Each and every player stepped up, dug deep, and delivered solid performances. The lineups fell into place with a certain fortuitous precision. Teamwork, dedication, and deep-rooted camaraderie carried 9 players in brutal heat through 5 matches over three days.

We had a banner season and fell short in Round 2 playoffs. Going to sectionals as a replacement, this team got a second chance. We deserved the spot, and getting to the final,

**Day one. One win. One loss. Alan Biocca, David Takeuchi, Dan Katzman, Patrick Forden, David Blain, Chandra Mundra, Gary Scott.**

**Not pictured: Cy Lucas and Mike Bloomstein**

**Day two morning match, 5-0 win! David Takeuchi, Alan Biocca, Cy Lucas, Mike Bloomstein, Gary Scott, Patrick Forden, Chandra Mundra, David Blain.**

**Not pictured: Dan Katzman.**

*David Takeuchi (right) fought an epic battle with long rallies in the heat. He took the first set. At 4-4 in the second set, severe leg cramps set in. Luckily, our 3.5 teammate Jon Allen was onsite. Jumping into the trainer role, he's granted 3 minutes to get David back on the court. With difficulty moving at all, David wins the next two games.*

*Victorious and wrought with cramping muscles, he collapses in agony. Way to play with undeterred will and conviction. We needed the win and David brought it for the team.*

we proved it. We missed the title by only a few points in three tiebreakers. Even though we finished second in Northern California, I say we outplayed the competition - as close as it was, we could just as well have won.

Playing USTA, we are lucky and privileged to enjoy truly fantastic competitive experiences most people can't imagine. Every player on this team will carry this experience forward and bring a dedicated level of competition, sportsmanship, and absolute will to perform our best every time we step onto the court.

Onward!

# WCRC Summer Singles League Marks 20th Year Anniversary

One of the most popular programs in the WCRC's long history, the Summer Singles League started in 1998 as the brainchild of Kent Lindeman and Mike Jetland. The two were looking for alternatives to USTA leagues at a time when NorCal was making changes that were generally unpopular with players – biggest among them the introduction of a superbreaker in lieu of a third set.

In its inaugural year, there were just 48 players and 2 Men's Divisions (4.0-4.5 and 5.0-5.5). Players received a weekly email bulletin with match results and updates, which helped to facilitate matches being scheduled and completed.

In 2000, the league expanded to 6 total divisions (Men's 3.5 thru 5.0-5.5 and Women's 3.0 thru 4.5-5.0) with the help of League Coordinators Mike Jetland and Jennifer Scriabine and was marketed to players all throughout Contra Costa County.

The very next year saw the introduction of the online league reporting system, programmed by Sean Zhang, which allowed players to enter their scores online instead of reporting them to league coordinators. By 2002, there were 8 divisions (Women's 2.5 and Men's 3.0 added) and 450 players in the league, each required to play a minimum of 6 matches to qualify for the end of season tournament.

At its zenith, there were over 250 tournament players, which necessitated a 6 days over 2 weekends event to crown 8 division winners at the Walnut Creek Tennis Center. Among the champions were USTA National Gold Ball winners and Division I and II standouts but also regular tennis enthusiasts who excelled at their specific level – that was one of true attractions of the league.

The Summer Singles League also spawned the Doubles and Mixed Doubles Leagues and was one of the reasons why the WCRC was named USTA Nor Cal Community Tennis Association of the Year in 2002.

## TOM BREZA FUND HELPS SCHOOL IN NEED

On May 20th, the tennis courts of Mound Diablo High School, were the place for honoring the life and legacy of Tom Breza (RIP), who was the first president of the Walnut Creek Racquet Club. Tom was an avid youth supporter and left us his love for tennis. His wife Penny and a close group of friends, including the current president of WCRC Glenn Mcbee Chuck Finster, as well as Isabella Culco from Lifetime Tennis, put together a generous fund to support a local tennis high school program.

They decided to offer this fund, more than \$6,500 to the Mount Diablo HS Tennis Program. Mr David Pintado, a Health Science teacher and the new Girls Tennis Coach, organized this event, with the help of Mrs. Shelley Bain, Principal at Pine Hollow Middle School and Ralph Sanzeri, a retired police officer, who also will be Assisting Coaches. All the coaching staff are current members of WCRC.

Players from all ages and ratings came to honor Tom's life. De Anza High School from Richmond, El Cerrito High School, Spartans Tennis Team were among those that played and had tons of fun. They also went home with free tennis gear and other items donated from local supporters like Lifetime Tennis and East Bay CPR.

There is no doubt that Tom left a seed at Mount Diablo HS and the players to come will be honoring his life and legacy by doing what Mr Breza loved to do the most: Play Tennis!!
