# Member Spotlight

## Cara Mia Barnacascel

**Captain, Chef, Wine  
Connoisseur and more...**

*Interview and article by Garvin Tom.*

*As an effort to get to know our membership the Board has decided to start a new monthly column "Member Spotlight". We will be interviewing WCRC members and getting to know them. This article will help us find out how they got introduced to tennis, their background, any favorite memories, etc. We hope you enjoy this new commentary.*

**I**f you've been to Heather in the evenings and weekends, you may have spotted Cara Mia wearing her trademark turquoise and white colors sitting alongside perhaps the best spread of food and drinks that you'll ever see at a USTA match. Born in El Sobrante, the East Bay native grew up early on in El Cerrito before moving to Concord, where she graduated from Ygnacio Valley High School. Afterwards, she attended SF State and later became a web developer. She soon ended up landing a job at Wells Fargo, where she has worked at for the last 25 years.

Cara Mia got into tennis to spend more time with her husband, Sean, and jumped right into the deep end by co-captaining the first USTA team she ever played for. She fell in love with captaining almost immediately as she has captained 43 (and counting) different USTA teams ever since. Her enjoyment of being a captain is rooted from her love of meeting and interacting with other people and having that competitive spirit while still having fun with the people around her. Some of her favorite memories come from spending time with her teams in Districts and Sectionals, where team dinners and occasional nights out at the Dive Bar in Sacramento were usually on the menu.

One of her favorite moments was leading her 2.5 women's team to Nationals in Alabama in 2017.

Cara Mia met Sean while they were attending YVHS, when she was dating his best friend at the time. Cara Mia and Sean then started dating each other off and on for several years after that. Then came one fateful day. Cara Mia and Sean had been broken up (again) for about six months, and Cara Mia was riding with her boyfriend at the time to Los Angeles for Comic Con.

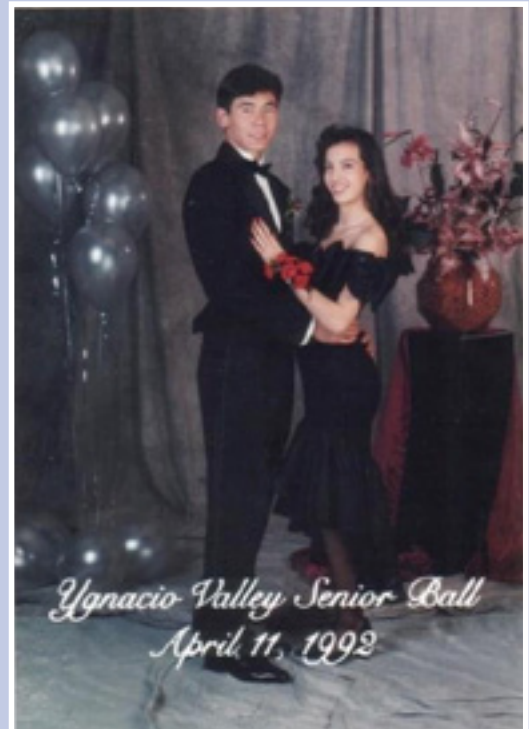

On the way there, her boyfriend fell asleep at the wheel and crashed, causing major injuries to her including a collapsed lung, burst spleen, and broken neck. While Cara Mia spent 10 days in the ICU in Bakersfield, her dad called Sean, and Sean drove to Bakersfield to be with her and never left her side while there. Their relationship grew stronger as a result, and Sean proposed to Cara Mia a year after the accident. They were married in August of 2002.

Away from tennis, Cara Mia organizes the beer booth for the annual Northern California Cherry Blossom Festival, where she has volunteered at for 26 years. Held every April in San Francisco's Japantown, the NCCBF is one of the largest cherry blossom festivals outside of Japan and celebrates the arrival of spring and the blooming of the cherry blossoms. Each year, Cara Mia coordinates 120 volunteers for this event.

As stated earlier, Cara Mia has probably the best food you'll ever have at a match, and she prepares a few things for almost every one of the matches that her teams host. She was inspired by her grandmother, who would cook in the summer for her while she watched with great interest. Cara Mia would try out cooking these same recipes herself and eventually would inherit 12 binders filled with recipes from her grandmother. Of course, a meal is never complete without a nice bottle of wine. Cara Mia has visited over 300 wineries in Napa and is a member of multiple wineries there. She is currently building a new wine cellar, which will soon house over 200 bottles of wine, at her home.

If you get a chance to check out Cara Mia's delicious spread, it is one you won't soon forget. Something special must be in those recipe binders!

## We were all CHAMPIONS! The Longest Tennis Rally

“The Longest Day” is the day with the most light — the summer solstice. On June 20th, thousands of participants from across the world came together to fight the darkness of Alzheimer's through an activity of their choice. Together, they used their creativity and passion to raise funds and awareness for the care, support and research efforts of the Alzheimer's Association. We chose tennis as our activity and have been holding a fun annual tournament since 2016. On June 19th, we held our 5th tournament we call, “The Longest Tennis Rally.” We weren't able to hold the tournament last year due to COVID-19 so our fundraising was doubled and joy was tripled! We had 32 donors playing in this year's tournament and we were so happy everyone was wearing the color of the Alzheimer's Association, PURPLE!

We raised more than \$11,500 from 102 donors in only 2 weeks! Every dollar goes directly to the Alzheimer's Association. We couldn't have been this successful without the great support, cooperation and sponsorship of many individuals. Most notably, thank you to Lifetime Activities for donating the use of seven courts at the Walnut Creek Tennis Center, Kevin Kyono and Jason Mitchell for their extra donations and our many, many donors!

Donations can still be made until August 31st. If you'd like to donate, you can visit our team page at <http://act.alz.org/goto/TheLongestTennisRally>. Our current total puts us in the top 3 for tennis fundraising events in the country. Won't you help a great cause and help push us to #1? Please share this link with your friends and family and let them know what a wonderful opportunity it is to help in the fight against Alzheimer's.

We are currently forming our planning committee for The Longest Tennis Rally 2022. Please let us know if you'd like to be a part of this great event. If you're interested, you can contact Kevin Kyono, Doug Fish, Glenn McBee or Euna Roh. Thanks again and we look forward to seeing you all next year!

12 WCRC players made the trek out to Golden Gate Park to play on the new facility. We had a great time, beautiful weather and were welcomed by old friends Isabella Feinberg and Joe Noth.
