### **Life is Like a Game of Tennis!**

*Interview and article by Sally Krapf*

*As an effort to get to know our membership the Board has decided to start a new monthly column "Member Spotlight". We will be interviewing WCRC members and getting to know them. This article will help us find out how they got introduced to tennis, their background, any favorite memories, etc. We hope you enjoy this new commentary.*

**I**f you've been to Heather Farm over the last 6 years you've probably seen Martha playing in a practice or a match. Tennis is her favorite activity aside from nature photography, Bar Method, hiking the East Bay Hills, or recharging on the beach of Tulum. Martha wasn't always a tennis player, born in Bucaramanga, Colombia she and her family relocated to Burlingame in 1992. At the time her Grandfather was President of the House of Representatives in Colombia, where he was kidnapped and later returned to his family. After his return, all of his family, including Martha's parents, began receiving threats including calls/letters that they would kidnap their entire family including Martha and her 3 sisters. With these threats it was a common occurrence that Martha and her sisters would have to be secretly evacuated out of school hidden inside a car. After her Aunt and Uncle were kidnapped for over 6 months and assumed dead (as was typical in Colombia if you are gone for over 90 days), her Dad applied for political asylum and moved his family to Burlingame. Thankfully Martha's Aunt and Uncle managed to escape with the help of a guard and were evacuated out of the country under political asylum where her uncle became the Colombian Ambassador of Bulgaria.

Martha navigated her new home in the U.S., learning English and going to school. She landed her first job working at SFO airport for Virgin America where she was a customer service agent taking calls. But it wasn't an easy feat still not being 100% with her English and people calling in from all over the world with different English accents!

Martha eventually moved on to becoming a Dental Hygienist and a Mom of 4 amazing kids; Bobby, Mia, and twins Alejandro and George.

Bobby is 23, graduated from UCSB and is now working as an accountant. He loves surfing and writing music for his band where is lead singer and guitarist, as well as putting on shows over the weekends. Mia is 16 and a social butterfly like her Mom. She is a straight A student at San Ramon Valley High School and passionate about choir. She made the chambers choir as a sophomore, which is extremely rare and is now working for the Danville Girls' Choir as their lead high school helper. George and Alejandro are identical twins with different birthdays! Born before and after midnight, they are about to turn 8 on November 25 and 26. They are busy monkeys that keep Martha on her toes constantly. They are loving, funny, sweet and non-stop energizer bunnies that just started 2nd grade at Saint Isidore's Catholic School; which is fitting because they need the fear of God in their lives!

Martha started playing tennis at Heather in 2012 but she started at Crow Canyon in 2009 as a 2.5. She discovered that she really liked to play singles but it was hard to find others to hit with. She heard about WCRC Summer Singles, so she signed up, played a lot of matches, and played in the semi-finals against her friend Denise Maloney back in 2013. It was an email from Moe Satcher that convinced her to play USTA at Heather and she has been playing here every season! She loves playing at HF as she has made life-long friends, including her soul sisters Melissa and Sally, and enjoys meeting people and seeing new faces. Tennis really helped Martha find her people; her chosen family.

One of Martha's favorite tennis experiences was going to Nationals in Vegas with her 4.0 team in 2018 where she got to play singles and of course have a great time! She also started playing WCRC Mixed with Garvin Tom in 2018,

where prior to that she hadn't been playing much mixed. She enjoyed it so much she and Garvin played every year and still do. It was at one of their matches where she played against Matt Matrisian and he accidentally hit her with his serve. She was so mad and she looked at Garvin and said "they're going down!", and then she aced him and they took the match! She also took his heart and they have been dating ever since!

If Martha were able to give a new player or her beginner self some tennis advice she would say that there's always someone better than you and it's okay to lose. Just do your best, have fun and respect the game as well as your opponents; just like in life. Because life is like a game of tennis!
