# Member Spotlight

## Making A Point Of Service:

### David Pintado

*Interview and article by Ian McLaughlin*

*As an effort to get to know our membership the Board has decided to start a new monthly column "Member Spotlight". We will be interviewing WCRC members and getting to know them. This article will help us find out how they got introduced to tennis, their background, any favorite memories, etc. We hope you enjoy this new commentary.*

**S**erving is a very important part of WCRC member David Pintado's life, but his most important service happens off the tennis court as he teaches, coaches, and mentors the next generation of leaders in our community.

A native of Mexico, David was born and raised in Baja California and eventually moved to northern California because his wife Katie Leonard hails from Walnut Creek, and he came to Heather Farm around 2012 or 2013 when one of his colleagues from Heald College recommended the club to him. If you've gotten to know David at all, you probably know that you'd be hard pressed to find another club member with as interesting and eclectic a background.

David started playing tennis at age 8 in Mexico but his father wanted him to learn how to protect himself so he enrolled

David in a martial arts academy at age 10. He soon became a black belt in both taekwondo and the Korean discipline of tang soo do, and at age 15 he began teaching both martial arts to other kids. David found that he really enjoyed teaching, and still excelled in martial arts himself and for a brief period he was personally taught by the martial arts legend Chuck Norris, (aka Walker, Texas Ranger.)

David is a medical doctor by training and practiced medicine in Mexico for 25 years before moving away

from an active medical practice to pursue a career in academia. David has taught health education curriculum at Mount Diablo High School (MDHS, where he also leads the medical academy), Heald College, and Diablo Valley College, training the next generation of health professionals in courses such as medical terminology, emergency medicine, and healthcare careers. At Mount Diablo High School David also coached tennis and WCRC is one of the main sponsors of the MDHS team, through David's connection with both entities.

David is most proud to have led the implementation of USTA's inclusive "no cut" program at MDHS to include persons of all

abilities and backgrounds in the game of tennis. For his work, USTA named him a top ten coach in the United States in 2018, a rare and very well deserved honor.

When he's not playing tennis, teaching, or doing his frequent charitable work in the community through the Free Masons, the Orinda Masonic Lodge, or the Concord Democratic Club (where he served two years as President) David enjoys spending time with his family and exploring the many local treasures we're fortunate to have right here in the Bay Area. His son Kevin (age 32) is a professional drummer who has toured all over the world with the Eagles as Don Henley's "right hand man," as well as performing at the White House for then President Obama. And yes, the Eagles are still touring, if you are wondering like I was. You can check out any time you'd like but you can never leave, indeed.

David draws upon a lot of the lessons he learned through martial arts to guide him through life, as well as to play better tennis. All of these activities require discipline, continuing education, and honor to do well. David has taken that to heart and truly gives back to the club and the community through his charitable spirit, and we should be proud to call him our tennis partner and friend. His advice to someone taking up the game of tennis? Have fun, learn, improve, and don't get angry. Sage words we should all take to heart. ♦

## Five WCRC Members Shine at Nationals

*by Lena Larionova*

Five different WCRC Members went to Nationals last month and husband and wife Chris Lau, Lena Larionova Agung Zakaria, Marianne Dundon and Steve Lehmer.

### **First weekend, Lena playing 4.0 singles:**

Mary Sikes (TX): good starting match, game like Tammie but for singles. Super low toss and serve, balls were either low and fast or dropping right over the net, making me run for everything. Luckily, this is a game I know how to play, so I took this match 4-0 4-2.

Amanda Hart (GA): Georgia's rep and a recent 4.5 bump, Amanda was very steady and athletic. She was very good at neutralizing my pace and making me run for another ball in the opposite corner. Suffice to say, this match was long. We went all the way to third set tiebreak, and had to spin to serve at 4-4. Unfortunately for me, fast four tiebreaks leave no room for error. Amanda won the spin and took serve, and the point right after, so I just barely lost this one by a point.

Hannah (IL): the next day, went up against Hannah, and quickly realized that we have pretty much the same game. This match was a good time from start to finish - another three-setter, but this time the third set went my way.

Alexis (CO): Sunday morning, the playoffs started for each draw. Alexis was a super clean player with a classic game. Unfortunately, I could feel myself being tired early in the match, and my legs finally

couldn't handle the pressure and the Arizona heat. We had some nice points, but Alexis took the match, and that ended the tournament for me.

Lena Ended up in 7th place (playoff #2 draw).

### **First weekend, Marianne Dundon playing 5.0 singles**

At the same time, Marianne Dundon was representing Walnut Creek in 5.0 singles. While I didn't get to see all

of her matches (some were at the same time as mine), she played a weekend of amazing tennis and finished in first place!

Highlight: Marianne's last match was against a young college player with a classic, topspin game. Marianne played the same girl earlier that weekend in a round robin and lost - but she figured her out. In the tournament draw, they met again in the final, and it was clear that Marianne knew what to do. Everything came back as a perfectly placed chip or a lob, breaking the college girl's rhythm and dominating the midcourt like I've never seen anyone else do.

# Tennis News

Final: This is where it finally got tough, against a super steady pair from Oklahoma. Older guy, leftie, really good hands at net, everything comes back. Younger guy, really aggressive and had big forehands. He made a lot of errors earlier in the tournament, but dialed it in for this match. Chris and Agung played their best match of the tournament here but just pulled up short - they lost this one in two sets, both in tiebreaks. The second set went to a sudden death racquet spin, which the opponents won. With the leftie serving for the match, the opponents immediately had the advantage, and won the point.

This put them in 2nd place for the tournament.

Overall, it was an amazing weekend with great people - everyone was friendly, happy to be there and be playing great tennis, no drama to be seen.

## Next weekend, Chris and Agung played 3.5 doubles:

1: Match started out immediately with a net cord dropper from the returner, but Agung was right on top of it. That pretty much set the tone for the match - Chris and Agung both played clean, served and volleyed well, and the opponents just kept netting everything. As expected, they had lots trouble with Agung's slice and Chris's spin, and our guys easily won this match.

2: Second match, another easy win for our guys. Big forehands from Chris kept them back, and Agung would be there to finish every point at the net. Second set, Chris served well but struggled to stay focused otherwise, but Agung was steady and kept them in every point.

3: This was a match against two big Texans who had trouble dealing with the high topspin balls. In the first game, I heard one of the exclaim: "Them young Asians... Stop spinnin' the ball like that! Everything's coming back."

Lobs and spin made them frustrated and on the defensive most of the match.

Opponents have really good hands at net. This one was the toughest battle of the round robin, but our guys still won it handily.

Semi-final: Another pair of Texans. Chris continued to serve well, and started returning far better. Although this was the toughest match so far, Chris and Agung played super clean and again had no trouble taking the win.

## Marianne Dundon Failed at Getting Bumped Down!

*by Chris Dundon*

Well, Marianne Dundon failed at the ultimate goal at the recent NTRP National Singles Championships. The Goal was to get her butt beat by 18+ 5.0 women and ultimately get bumped down to 4.5. But she failed in this and ended up winning the tournament. There were two players from the LA area, one from Connecticut and Marianne from NorCal. Since there were only four players, they played a round robin format to set the ranking and then two more matches.

Marianne won two and lost one match in the round robin and then won her final two matches. In the finals, she went up against a young woman who had an incredible game. Marianne's game plan was to never get into a baseline rally. She spent most of the match in mid-court hitting high volleys or at the net hitting low volleys. In her words, "I am not as good a player as any of the three I played, but I guess I just out competed them."

As a spectator, I have to say it was the best tennis I have seen her play in a long time. She was tenacious, aggressive and stuck to her game plan. Nice job Marianne!

## NTRP 3.5 Men's Champion Steve Lehmer!

*by Steve Lehmer*

Last month, I had the opportunity to compete at the USTA 40+ 3.5 NTRP singles championships in San Diego. This was an event that brought players from across all of the USTA sections. Each of the sections apparently has their own process for determining their representatives. For Norcal, there was a qualifier tournament in late 2021, and you had to finish 1<sup>st</sup> or 2<sup>nd</sup> in that in order to get to Nationals.

The structure was similar to how Norcal runs team Sectionals. My grouping had 30 competitors overall. We were all put into smaller groups for a round-robin portion of 3-4 matches. Based on your finish in the round-robin, you were then placed into a single elimination bracket (top RR finisher into "Gold," 2<sup>nd</sup> place into "Silver," etc.). From there, quarters, semis, and finals for those who made it that far.

All matches were Fast-4 format...basically no-ad scoring with 2 of 3 sets to 4 games, and a 5-point set tiebreaker that kicks in at 3 games all. Every point seems super important in that format. I was fortunate enough to reach the final. It ended up being a really good battle that ultimately went to a tiebreaker in the 3<sup>rd</sup> set, and that tiebreaker came down to a single point, which would be winner take all. I was able to force an error on my opponent,

and take it. Winning the championship was just the icing on the cake...a pretty cool feeling!

## 65 and Going Strong

*by Pam Maloney*

This game we love creates great relationships, competitive play and loads of fun regardless of age. Our 65 team had an outstanding season, finishing with a 6/2 winning record and a date at Diamond Hills for Sectionals in mid-April. We didn't win the trophy there but our pals from Mervyn Morris were the spoilers of the event.

Going into the final day of play, we were 1 & 1. We had to beat Gold River and Mervyn Morris (who hadn't won a single line) had to beat Napa. The morning of the match we offered our Mervyn Morris (MM) friends intel on the Napa team, because we lost to them, but their captain informed us they had to default a line so we weren't optimistic. Fast forward to the match and we lost to Gold River 2/1 but MM had defeated one line of the Napa team! Our team rallied around the last line from MM that was playing and watched them take out Napa. It was amazing tennis and we were thrilled that MM won the match where they had to default a line. We know the MM ladies well and couldn't be happier for them!

## 40+ 3.0W Sectionals

*by Kelly Sanchez*

We had a blast! Three teams in our flight, including us, finished 2-1...unfortunately we had the least amount of sets won so we took 3rd. We did however beat the top team yesterday morning so that felt good. We had kind of a skeleton crew so I'm actually very pleased and we did better than I thought we would.

See ya on the courts,

## 3 Teams, 2 Locations, 49 Players, No Problem!

by Tammie Snyder

To say Sectionals last weekend was overwhelming is an understatement. I was lucky enough to captain three 40+ teams to sectionals. (40+ 3.5 Women, 40+ 4.0 Women and 40+ 4.0 Men). Without the support of my amazing co-captains, regardless of all the planning, I could not have done it without them.

The 3.5 women's team consisting of 17 players finished off the regular season 7-3. We met against California TC out of San Francisco. We started off sectionals two singles players down, Cortny Christensen unknownly played a playoff match for a team out of Diablo South so became

(l-r): Lani Aurelius, Cassie Kim, Jennifer Grant, Pam Maloney, Cynthia Attiyeh, Pru Pruden, Kim Caison, Tammie Snyder, Lori Guariento, Catherine Sampietro.

(l-r): Lani Aurelius, Pam Maloney, Lori Guariento, Cherie Charbonneau, Cynthia Attiyeh, Kim Caison, Tammie Snyder, Maureen Satcher, Jennifer Grant, Sally Krapf, Pru Pruden, Miwa Feinberg, Tami Lightle.

the day was with Jennifer Grant and Tami Lightle who went 20-18 in the super tie breaker taking 40 minutes! Saturday Tami's elbow was super swollen and unable to play. We decided to let Lani play since she sacrificed to play singles for us. Lori Guariento had a valliant effort against her singles

(l-r): Pru Pruden, Tami Lightle, Kim Caison, Tammie Snyder, Pam Maloney, Catherine Sampietro.

opponent from Claremont, going to a stb before barely losing the match. The other 3 lines won. Now we had to wait for Sunnyvale to play (3 hours after us). We needed them to lose. Unfortunately they took their match and headed to the Semi finals. Such a great season.

Thanks to my amazing co-captain Maureen “Moe” Satcher and the entire team: Cynthia Attiyeh, Lani Aurelius, Laurie Blackiston, Kim Caison, Cherie

(l-r): Logan Snyder, Mike Sherman, Pam Maloney, Cassie Kim, Lani Aurelius, Kim Caison, Cynthia Attiyeh, Tami Lightle, Jennifer Grant, Tammie Snyder, Pru Pruden, Justin Snyder, Catherine Sampietro, Lori Guariento, Carlo Guariento.

Thanks to our supporters: Justin Snyder, Logan Snyder, Elliott Greyson, Mike Sherman and Carlo “team photographer” Guariento.

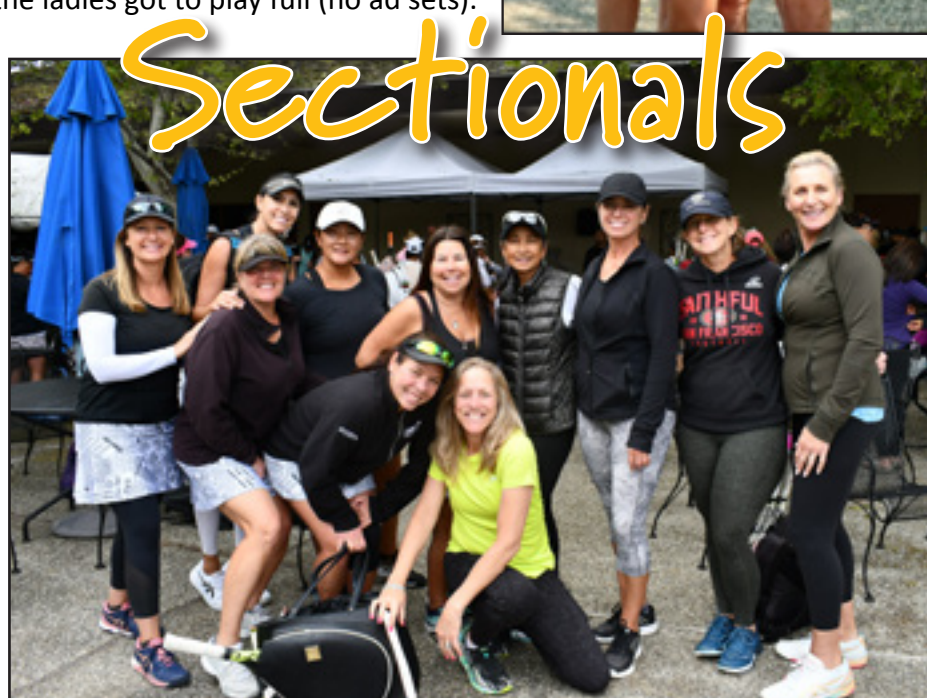

The 4.0 women's team who had an undefeated regular season, as well as three playoff matches. We entered into sectionals 13-0! Thursday night was hit with rain and all the matches at Johnson Ranch got delayed 2 hours and moved to the Fast Four Format. (first one to 4 wins. At 3-3 you play a 7 point tie breaker). We had 17 players on our roster and 16 different players played at sectionals, only Nicole Radlow had previous plans sectionals weekend.

Since the three teams were at both Gold River and Johnson Ranch I did not get to watch one point of any of the ladies matches. Heidi Belton stepped up and took the reins of the team and handled all the captaining duties flawlessly! Friday's first match was against Goldman TC in San Francisco. This was a close competition where we tied our opponents 2-2 but squeaked out the win by sets.

The second match on Friday was against Marin. We had 5 new players and the team swept 5-0. We were looking good 15 straight wins for the season.

Saturday the weather cooperated and the ladies got to play full (no ad sets). We met up against Peninsula from San Mateo. This team was definitely our toughest competition and they came out ahead. Ending our undefeated season! The girls were bummed and disappointed but what an amazing run they had!

*(l-r): Ellie Kann, Robin Elawady, Martha Spanos, Shin Koo, Erika Garell, Tammie Snyder, Heidi Belton, Athena Lofquist, Sharleen Houston, Jessie Thomas, Donna Himenez.*

The 4.0 men's team who was also at Johnson Ranch and had to deal with the Fast Four match format. We had 22 players on our roster and all but three players participated at sectionals. Only Ron Edwall, Jon Lien and Andrew Wachner were not available to play. Started our first match against Clovis North. This was a close battle and we tied 2-2 but lost by one set (5-6).

For the second Fast Four Format on Friday we met up against Foster City-A team. they took out the Foster City C team (10-0) team in playoffs. We were firing on all cylinders for this match and took the win 4-1. We were hanging out in 2nd place and as long as we won 3-1 or better on Saturday we were in the semi-finals!

On Saturday, we met up against the Foster City C team (who got in as the original team couldn't field a sectionals team). This was also a tough battle. The best match of the day was Ron Morris and Lloyd Hohenstein who split sets and were playing the super tie breaker for the match. They got down 2-8 in the STB, their opponents felt they had this in the bag and let up just a bit and Lloyd and Ron stepped up their game and came back to win the set 12-10! Remarkable, amazing come back! We split 2-2 which wasn't enough for us to advance.

All and all it was an excellent team building weekend. Players from all three teams came out and supported each other. We also had a delicious, hilarious dinner together at Bachhus house in Folsom. Lots of great stories, crazy Italian accents, full bellies of prime rib, risotto, scrumptious Aphrodite drinks and amazing wine flowing. It was a perfect end to a fabulous weekend.
