Lifetime Activities

What's Happening at the Courts?

OPERATING HOURS AT WCTC

Monday – Friday: 8am-10:00pm • Saturday & Sunday: 8am-8pm

NEW USTA Class coming for Winter Session 2023! - We are pleased to announce that for Winter Session 2023 we will be piloting a class that will focus specifically on 4.0+ players. Our very own Tennis Director Jeff Forbes and Lead Tennis Pro Kevin Huang will both be teaching the class. The class will focus on building match skills and strategies while offering some time for free play. To enroll in the class, you must be a 4.0 or higher rated player and must have previously played or currently play on a USTA Team. If you are interested in enrolling the class please contact the General Manager, davidr@lifetimeactivities.com, or Tennis Director, jefff@lifetimeactivities.com for more information!

Warm up time before USTA Match - Please note that per USTA match rules, you are guaranteed 5 minutes of warm up time before your match. This time is already built into your match reservation time. If you would like to warm up on the courts before your match, you may do so free of charge up to 15 minutes before your match starts, as long as there are open courts available. If you would like to have longer than 15 minutes for a warm up, then you will need to book a reservation or walk on court and the standard \$6 fee becomes applicable. If you have a Lifetime Activities pass, then you will still need to book a warm up court, but the charge is not applicable to you.

Walk-On Court Process - Walk on courts are first come first serve only. In order to obtain a walk on court, you must come to the front desk with at least 1 other person that you will be playing with before you will be granted a court. Your reservation time will start at the time that you are granted the court, i.e. walk on court reservation time slots may be booked outside of the reservable court time slots. Please note that you are only allowed to book 1 court under your name per day. If you have already booked a reservable court under your name, then you will not be able to book a walk on court under your name during that same day. We thank you for your cooperation and understanding. If you have any questions about the walk-on court process, you can email the General Manager at davidr@lifetimeactivities.com.

Member Spotlight

It's More Than Just Tennis: Lynne Weinshelbaum

Interview and article by Ian McLaughlin

As an effort to get to know our membership the Board has decided to have a monthly column "Member Spotlight". We will be interviewing WCRC members and getting to know them. This article will help us find out how they got introduced to tennis, their background, any favorite memories, etc. We hope you enjoy this commentary.

Even if you don't personally know WCRC member Lynne Weinshelbaum, chances are you've come across her at Heather Farm. In addition to playing tennis several times a week, Lynne has been a very active member and held numerous leadership positions with the club since 1997/98.

Lynne is truly a citizen of the world and with a father in the military she was born at the Presidio in San Francisco and moved all around the United States throughout her young life. Eventually their family settled in Moraga, where they stayed through Lynne's high school career at Miramonte, where she played almost every sport, including tennis.

Staying in the East Bay, Lynne went on to Cal (go Bears!) to study marketing and finance, and earned her MBA from Cal as well (go Bears!)

Lynne is now retired after seventeen years with American President cruise lines, followed by a second full career in IT support after she went back to school to study computer science.

Lynne's work with American President Lines had her traveling extensively around the globe, which complemented all the travel she did with her family when she was young to give Lynne a uniquely broad perspective on our own society and culture. In addition to her volunteer work with WCRC, Lynne gives back to the community by volunteering at the Oakland Zoo and the Berkeley Humane

Society, both of which are close to the home in the Oakland Hills she shares with her partner John.

When asked what she likes most about being involved in WCRC, Lynne says “it’s more than just tennis.” She thinks it’s a truly unique group of people with great camaraderie, creating meaningful long term friendships; Lynne is still close with several people she initially met at Heather Farm nearly three decades ago. Some of Lynne’s favorite memories at the club stem from the informal team tennis matches that were once a regular

Friday night event at Heather Farm, with great food, great drinks, and great fun on and off the courts. The kind of thing we all love about playing tennis with WCRC. It’s more than just tennis. ❖
