THE PRESIDENT'S REPORT

Happy May!

Hi everyone! There is so much to talk about, so let's get to it. First, I would like to thank everyone who participated in our Fall Mixed tournament recently. It was nice to finally have Mother Nature cooperate with us this time with perfect weather. The 9.0 mixed final has yet to be played as of this writing, so we will publish the results in our next issue. In the meantime, you can check out the photos taken during the tournament on our Zenfolio page at <https://wcrc.zenfolio.com/p552685467>. In other WCRC League news, our Winter Doubles tournament is scheduled for June 9-11, and our Summer Singles league is opening May 8th.

Garvin Tom
2023 WCRC President

In USTA news, I would like to congratulate **Cara Mia Barnacascel's** 18+ 6.0 and 7.0 mixed and **Jill Van Slyke's** 9.0 mixed teams, all of whom just played at Sectionals over the weekend. I will be looking forward to your write-ups in next month's newsletter. It's great to see that the WCRC was well represented over there. If anyone wants more USTA, we also have our Adult 18+ and 55+ leagues going on right now, and sign-ups for 40+ Mixed just opened.

Don't forget our big **Calcutta** event is this weekend with our party and auction being held at the Lakeside Room at Heather Farm on Friday, May 5th, at 6 PM, and the tournament on Saturday, May 6th. **If you are planning on attending the party and auction you must sign up to attend. If you are not on the attendance list you will not be allowed to entry.** It will be a lot of fun as always, and I wish our all of our participants good luck.

And finally, as many of you may have heard, the city of Walnut Creek is considering a couple of options to move the pickleball courts from their current location in Rudgear Park along Dopplegray Ln. One option is to move them to Heather Farm where the basketball courts currently are. The other is to move them to the three courts in Rudgear Park along Stewart Ave. where we currently hold our USTA matches. The latter option is what the Pickleball Club is fighting for, and we need your help in preventing this from happening so we can continue holding our USTA matches there. Pickleballers have been emailing the city left and right to get the Stewart courts, and now it's our turn to keep this from happening. Please take the time and write to PublicComments@walnut-creek.org and tell them to not take away our courts. Each and every voice matters here, and I hope everyone who reads this will write them.

See you on the courts.

Garvin Tom

A Lifetime of Tennis:

David Resnick-Dunn

Interview and article by Ian McLaughlin

As an effort to get to know our membership the Board has decided to have a monthly column "Member Spotlight". We will be interviewing WCRC members and getting to know them. This article will help us find out how they got introduced to tennis, their background, any favorite memories, etc. We hope you enjoy this commentary.

Lifetime Activities' Walnut Creek general manager David Resnick-Dunn has spent much of his adult life working in the tennis industry, from which he brought a wealth of experience with him to Heather Farm when assumed the helm of Lifetime Activities' Walnut Creek facility in March 2022.

A Bay Area native, David grew up between the cities of Vallejo and Benicia, started playing tennis at age 8 and played on the Benicia High School Varsity tennis team, where he amassed a record of 34-2 in his two years playing singles. He then played intramural tennis at S.F. State while studying cinema at the university. David's first coaching job was at age 12 when he was an assistant coach at his local middle school. He began working full time in the industry at age 21 as a tennis instructor/office manager and spent 3 years working for USTA NorCal as a Tennis Service Representative and later as Manager of the Junior Competition Department. When he learned of the opening with Lifetime Activities in Walnut Creek David applied in part because he was interested in gaining more experience in facilities management.

While David's real passion is coaching tennis, especially for beginners to whom the entire sport is new, the responsibilities of his current position leave him with no time to coach anymore, but the deep understanding of players' needs that David gained through playing and coaching has given him a unique perspective on how to operate a facility that serves all the groups that are competing for limited court space and other resources. David feels that Walnut Creek is unique among Lifetime Activities' facilities because Heather Farm is very much like a community center where a committed group of consistent players gather regularly to hit the ball and socialize.

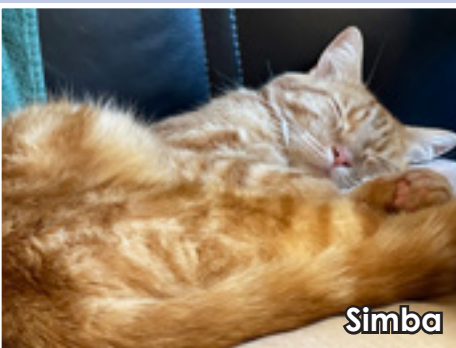

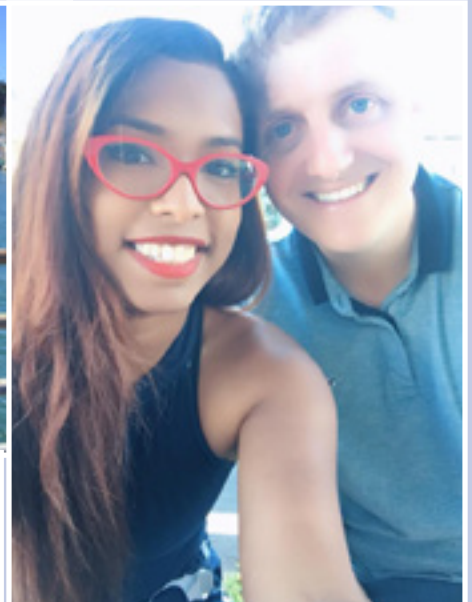

One of the biggest challenges for David has been that his tenure as general manager came precisely when Covid restrictions were being eased and all activities have resumed in person, requiring new procedures and protocols after his predecessor also had to develop new procedures and protocols when facilities were forced to abandon

in person activities due to the pandemic just three years ago. David also has the typical challenges associated with running a busy facility, such as juggling the needs and desires of the various constituencies that are vying for court space and other resources. He credits his excellent staff for helping him learn the names of the club's many regulars.

David's parents still live in Benicia so he is able to see them regularly. David and his wife Priya and their cats Shadow, Midnight, and Simba live in Walnut Creek, and when he's not working David is an avid bowler, swimmer, and cyclist. He also continues to feed his creative side through film study and writing short stories. If you're looking for a movie recommendation from a guy who has actually studied cinema, David's favorite movie is a toss up between Inglorious Basterds and The Shawshank Redemption.

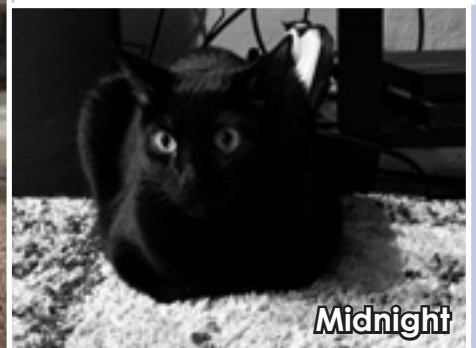

Finally, more than anything else since he joined Lifetime Activities, David has truly appreciated the patience and support of the WCRC tennis community as he continues to transition into his role as general manager and attempts to accommodate the needs and desires of all the players at Heather Farm. The community we're lucky to be part of at WCRC is only as strong as its individuals and the facility leadership, and we've found the right person with the experience to guide the club through the next phase of its development, meet GM David Resnick-Dunn. ❖

Tennis News

Mike Rogers and Jeff Bennett won NTRP Qualifiers last November and advanced to Nationals, which was played in April in Surprise, Arizona.

Tournament play consisted of 5 groups with four teams that played a round robin. Format was best of 3 Fast Four sets, no ad with a 5 point tie break.

Mike and Jeff won their first three matches to advance to the finals round that included each of the round robin winners. In the first match, we lost the first set of the first match 4-2, then won 7 straight games to go up 3-0 in the 3rd set. Only to have our opponents come back to tie it at 3-3. We then won 5-2 in the 3rd set tiebreak.

In the second match we were down 2-0 in the first set, but came back to win 4-2 and then take the second set 4-1. We again lost the first set in our 3rd match but came back to win the next two sets 4-2, 4-1. As luck would have it, there

Mike Rogers and Jeff Bennett

Mike Rogers and Jeff Bennett

was a random draw for the finals round and we were one of two teams that had to play a quarter final (the other three teams received a bye into the semifinals).

Once again we lost the first set 4-2, but came back to win the second set 4-2. After breaking our opponents serve to go up 1-0 in the 3rd set, we lost our momentum and the match 4-1. Our opponents went on to win a close semifinal match and then dominated in the finals to win it all.

We look forward to another opportunity next year!

Tennis News

During the 2022 season, Shashanna Singh and Tracey Hull played in various NTRP tournaments to secure enough points to be invited to the National qualifier in November. There, they won the qualifier which secured them a spot in the National tournament.

They traveled to San Diego for the three day tournament and won the whole damn thing! Going undefeated and dropping only two sets in six matches.

Congratulations to our WCRC family and 2022 3.0/18+ National Champions, Shashanna Singh and Tracey Hull.

Tennis News

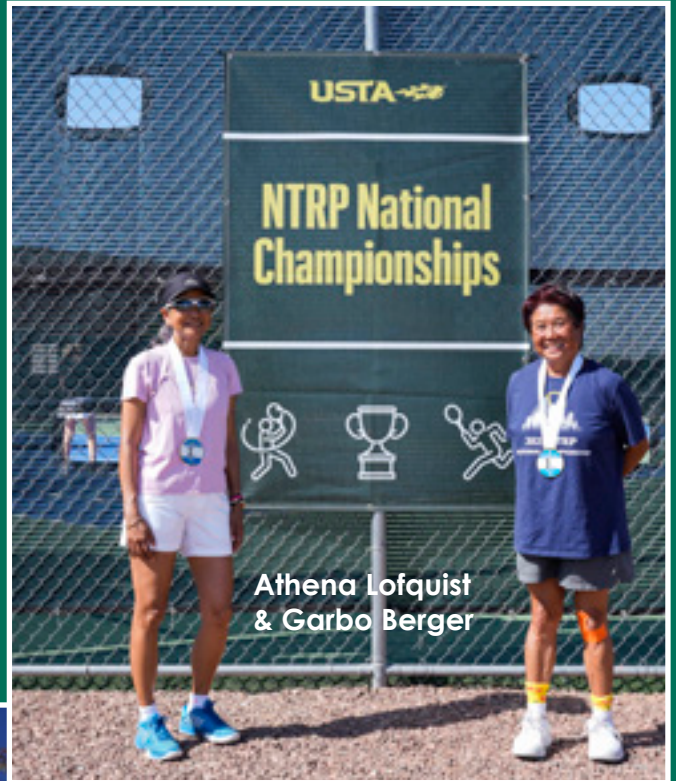

It was a beautiful warm weekend in Surprise, Arizona. This was a 55+ doubles event. Matches started on Friday. Athena Lofquist and Garbo Berger played teams that came from the areas of Texas, Boulder, CO, Midwestern, and New England.

Although the weather was wonderful for tennis, the playing conditions were a bit rough. With the light breeze and 1000 ft altitude, the ball seemed to be bouncing higher and spinning away by the wind after each bounce.

Many times, the players were being pushed backward by the velocity of the ball if they did not set their feet firmly on the ground.

Garbo and Athena fought, strategized, and played some scrappy tennis and managed

Athena Lofquist
& Garbo Berger

Athena Lofquist & Garbo Berger

to win all four matches in their flight, and advanced to the play-off round.

There were 4 flights, the winner of each flight moved on to the playoffs. They lost the first round of playoffs, but came back the next day to win for the 3rd place overall.

The tournament was very well organized. There was a clothing vendor, as well as on-site experienced physical trainers.

We not only enjoyed playing the tournament but also to time to enjoy dining out. There were many excellent restaurants around the tennis complex. Together they made sweet memories that will last a lifetime.
