THE PRESIDENT'S REPORT

Happy July!

Garvin Tom
2023 WCRC President

After a little time off, we're back with another great edition of the newsletter. There's so much to catch up on, so here we go. First off, I would like to congratulate Elliot Feinberg and Lena Larionova for winning Calcutta, and I would like to thank all the volunteers and participants (players and team owners), who made it another successful event. Check out the pictures and results later in this newsletter. Can't wait for it to come again next year.

In WCRC League news, we've completed our Winter Doubles season. You can find results on page 23 of this issue, and congratulations to all the winners in the end of season tournament. If you want to work on your singles game, we have our Summer Singles league going on until October, so there's plenty of time if you haven't signed up yet.

We got plenty going on in USTA as well. The 40+ Mixed season is underway while the 18+ Adult regular season just ended with playoffs just around the corner. Good luck to all our playoff teams. We also have three 55+ Adult teams who will be representing us in Sectionals on July 14-16. Good luck to you all as well.

On the pickleball front, the Walnut Creek PROS committee has decided to propose a new Heather Farm site for pickleball courts, which would be located in the parking lot at the corner of San Carlos Dr. and Ygnacio Valley Rd. If the city council approves the proposal, it will be a big win for us as we would get to keep the tennis courts at Rudgear Park. However, the fight still won't be finished since the city will still need to find funding to build the pickleball courts. Let's hope the city doesn't take any money away reserved for resurfacing the Rudgear courts next year. If that's the case, that may be another battle we will need to fight.

Speaking of resurfacing, the courts at Heather Farm will get their resurfacing started on July 10. Since this is a complete resurfacing and only a few courts are being done at a time, the entire project is scheduled to be completed in mid-November. Because of the lack of courts until then, we will need to cancel our Mid-Summer tournament this year, unfortunately. But we'll be back next year, and I can't wait to see and play on the shiny new courts.

See you on the courts!

Garvin Tom

Member Spotlight

Always Ready to Serve:

Cameron Coltharp

Interview and article by Ian McLaughlin

As an effort to get to know our membership the Board has decided to have a monthly column "Member Spotlight". We will be interviewing WCRC members and getting to know them. This article will help us find out how they got introduced to tennis, their background, any favorite memories, etc. We hope you enjoy this commentary.

Chances are that you already know WCRC member William Cameron "Cam" Coltharp because he's been coordinating the popular summer singles league for the club since 2012. "Almost everyone I regularly hit with I met through summer singles," says Cam, echoing a sentiment many of us can identify with. The program proved to be so popular that in 2020 Cam helped the club expand it by creating the "WING" singles league that runs during the Winter and Spring. Not surprisingly, Cam's favorite memories at the club stem from participating in and running the annual summer singles tournament, especially the after party and accompanying barbecues that bring club members together off the court.

Cam took his first tennis lesson as a youngster in Florida in 1978, then spent years "banging the ball against the wall" as his family migrated west to Martinez in 1980. While growing up in

Martinez Cam started hitting with friends at Golden Hills Park before playing for the Alhambra High School team. While attending

San Francisco State University and embarking on his career, Cam put down his racquet for almost twenty years before he picked it up again to hit with Richard Jung (also a WCRC member) who was a fellow cub scout dad.

As with so many WCRC members, it was unofficial club mayor Tammie Snyder who brought Cam into the Heather Farm community; she went out to Golden Hills park to hit with Cam one day, and then invited him out to one of her famously huge Monday practice sessions and introduced him to the other players in the WCRC community.

Cam doesn't play as often as he used to due to

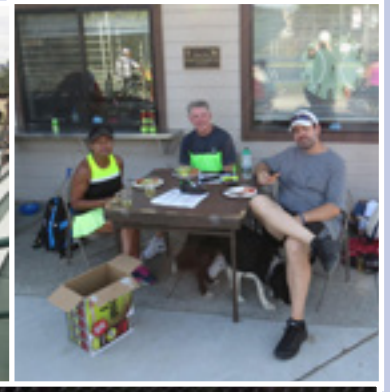

lingering foot injuries, but he still gets out when he can, and that's often very early in the day for Cam, who's known as the "sunrise guy" for scheduling his matches very early before the busyness of the day becomes overwhelming.

Always busy, Cam is a dedicated family man who stepped up to become involved in many of the activities of his children Erin and Gavin, serving as a soccer coach and a cub scout leader during their upbringing.

Cam has been married to his wife Kate for nearly thirty years now, and remains close with his younger sister, nephews, and parents, so he's surrounded by family in the area even aside from his daughter Erin (who works in the field of environmental restoration) and son Gavin, who works in special education for the Piedmont school district. Cam himself has spent over two decades working in facilities and property management for Telecare, a multi state organization that provides inpatient and community programs to improve psychiatric and emotional health.

As is evident from this background, Cameron has always been willing to step up and serve in leadership positions both professionally and in volunteer community organizations. If you've ever hit with Cam this won't be surprising to you, because the "sunrise guy" has always had a huge first serve. ❖

Tennis News

On May 21st, a small but loyal group of WCRC tennis players and friends got together at the Mount Diablo High School tennis courts to celebrate the life and legacy of Tom Breza, the first President of WCRC at the 5th Annual Mixed Doubles Round Robin held in his honor.

Tom Breza is not among us anymore but his dreams to support youth tennis programs are still alive. His legacy has planted a seed at MDHS Tennis Program and this seed has grown and developed into a solid boys and girls tennis program.

Glenn McBee, Miwon Vela, Carlo Guariento and Coach David Pintado organized a very fun day of tennis to honor Tom Breza.

The girls and boys of the team offered a yummy carne asada for the participants of this year round robin.

Thank you to all of our supporters and a big thank you to the WCRC! See you next year! Glenn McBee

Calcutta

Thank you to everyone who put in their hard work to make this very special event so amazing. This tournament and party takes a lot of work behind the scenes to come off so flawlessly. I would like to thank the following people personally for their assistance...

Our amazing board who helped handicap this event: Garvin Tom, Cara Mia Barnacascel, Rebecca Kay, Kayla Baier, Sally Krapf, Pam Maloney,

and Deanna Fong. Thanks to the ladies who organized, picked up and/or ordered all the food, gift cards and alcohol for the party and the tournament: Sally, Rebecca and Cara

Mia and Jennifer Grant for her alcohol donation. Thank you to everyone who helped set up and clean up at the party: Cara Mia, Rebecca, Kayla, Glenn, Garvin, Sally, Justin Snyder, Bob Satcher, Elliott Greyson, Josh Howard, Kevin Kyono, Robin Elawady and Logan Snyder.

Thanks to Logan Snyder for his bartending skills! I enjoyed emceeing this year with humor and some

downright shaming. We had our biggest auction so far raking in \$ 4,565!

I'd like to thank David Resnick-Dunn who got up at the crack of dawn to meet me at very wet courts. We checked with 4 different weather apps and came up with a game plan. The 3 hour delay worked! He moved matches over and reserved the rest of the courts so we could have them for the remainder of the tournament.

Thanks to those who help set up Saturday morning as well as throughout the day filling up coolers, rotating food, and breaking down and clean up after the tournament: Pru Pruden, Kevin Kyono, Glenn McBee, Justin Snyder, Garvin Tom, Sally Krapf, Chris Lau, Cara Mia Barnacascel, Kayla Baier, Rebecca Kay, Kim Caison, Kimmel Sadat, Melissa Bach, Teri Frangie, Robin Elawady, Byron Bardy, Chris Alexander, Jill Van Slyke.

Thank you to Bob Satcher for coming down to take photos of the Friday night auction and tournament. Additional thanks to Dan Kaplan who also came down to take photos of the tournament.

Sally found an amazing taco truck which was fitting for Cinco de Mayo. It was well received and had some delicious food! Great job Sally!!!

Additionally I'd like to thank all the participants who played with integrity and fairness throughout the event. Without you guys we would not have a tournament. Thank you to all the players who stepped up to score keep as you know it is a necessity. I was delighted to see both KK and his daughter Hima come out. After one match Hima was a score keeping dynamo! Both of Panda and Renu's daughters score kept quite a

few matches as well. Thank you Sanvi and Anika!
We had quite a lot of new faces this year and from what I heard from the feedback, everyone had a great time. We had 26 matches decided by 5 points or less and 4 matches decided by a single point!

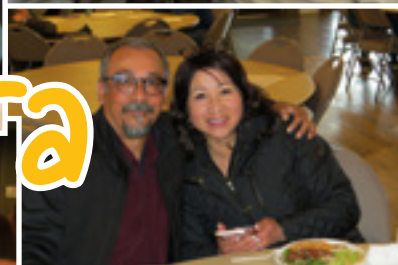

There was a lot of excellent tennis this year. I have attached the draws so you can see the results. I also have a pair of sunglasses if anyone left them. Please contact me directly.

We look forward to another successful Calcutta next spring!

Thank you for participating!

Tammie Snyder
